MESSAGE

I convey my heartiest greetings to all the people of the State of Tripura on this momentous occasion of the Republic Day on 26th January, 2026.

Republic Day is a very special occasion for our nation, as the Indian Constituent Assembly adopted the Constitution of India on the 26th November, 1949. Subsequently, it came into effect on 26th January, 1950 and made India a Sovereign, Socialist, Secular, Democratic Republic committed to ensure justice, Liberty, Equality and Fraternity for all the citizens of India.

It is not merely a national celebration, it is a tribute to the day our Constitution came into force, shaping India into the world's largest democracy.

On this auspicious day, I would also like to convey our special gratitude to the all the members of our valiant Armed Forces, State and Central Para Military Forces who are guarding our frontiers on the land, sea, air and looks after the internal security with utmost sincerity

Government of India is giving so much importance to the immediate progress and development of the State of Tripura with North East Region and rest of India. With that direction my Government is relentlessly working to make New Tripura.

On this auspicious occasion, let us join to pledge to work hand in hand for peace and brotherhood amongst all sections of people of the society and towards making our State bright and prosperous.

Thanks, Hambai
